

INTRODUCING THE LATEST GENERATION OF

BEAR TRAP™

Durability

The BEAR TRAP product line uses high quality stainless steel wire rope that defeats the sharpest and most damaging tools available in healthcare.

Strength

Only the highest quality, durable, impact and chemical resistant Nylon plastics are used in the components produced by Voytek Medical.

Cost Savings

See immediate cost savings when you secure your costly and easily removable medical equipment accessories.

Warranty

1 Year Limited Warranty against manufacturer defects on all Voytek Medical products.

Voytek Medical offers a wide variety of options to perfectly suit all of your cable management and security needs. With your choice of clasp configurations, wire lengths, mounting solutions, and colors, you can truly customize your configurations. Voytek Medical has designed its products to protect the following but not limited to, Non-Invasive Blood Pressure Hoses, Invasive Blood Pressure Cables, EKG/ECG Cables, SpO2 Cables, Temperature Cables, Cardiac Output Cables, Ultrasound Probes, Bedside Remotes / Speakers, and any other item that needs to be secured.

Voytek Medical takes great pride in the quality of our products.
All products are handmade in New York with materials produced in the United States.
